3 **OPERATION OF THE PLAN**

- 3.1 The Committee, in conjunction with the compliance officer referred to in clause 21.2.1, is responsible for the operation and administration of the Plan and has full discretion to decide the manner in which the Plan will be operated and administered. The Committee, subject to these Rules and the relevant provisions of the JSE Listings Requirements, will have the final discretion and authority to decide who will participate in the Plan, the quantum of the Awards to be made to Eligible Employees, Vesting Conditions applicable to an Award and all other issues relating to the governance of the Plan.
- 3.2 In particular, the Committee may differentiate in the manner in which the Plan is applied to specific Eligible Employees and/or Participants and is not obliged to treat Eligible Employees or Participants on the same or similar basis in administering the Plan.
- 3.3 The Committee may, on recommendation by any Employer Company, select Eligible Employees of such Employer Company to be entitled to become Participants in the Plan, taking into account factors determined by the Committee from time to time, including the level of seniority of the Eligible Employee, the importance of the Eligible Employee to the Employer Company and/or the Group and/or the retirement date of the Eligible Employee.
- 3.4 No consideration will be payable by an Eligible Employee in respect of the Settlement or Vesting of any Shares which are the subject of an Award.

4 **STI MATCHING SHARES**

4.1 An Eligible Employee who has been paid or has earned an STI in respect of the immediately previous Financial Year may be granted an Award of STI Matching Shares in respect of that Financial Year, subject to clause 4.2, up to a maximum aggregate value, measured at the VWAP, equal to 25% of his/her Annual LTI Allocation.

4.2 If the Eligible Employee –

4.2.1 has been paid an STI in respect of the immediately previous Financial Year and has elected to apply his/her post-tax proceeds of his/her STI to acquire Open Market Shares and the Eligible Employee has provided evidence to the Company Secretary (to his/her reasonable satisfaction) that the Eligible Employee has acquired Open Market Shares using his/her post-tax STI proceeds; or

4.2.2 has earned, but has not yet been paid, an STI in respect of the immediately previous Financial Year and has elected to apply his/her post-tax proceeds of his/her STI to acquire Open Market Shares, the Employer Company may, on written notice from the Eligible Employee, acquire the required number of Open Market Shares on behalf of the Eligible Employee utilising the post-tax proceeds of the Eligible Employee's STI which the Eligible Employee has elected to apply to such acquisition,

then, subject to the limitation in clauses 2.1.21 and 4.1, the relevant number of STI Matching Shares will be Settled on the Eligible Employee.

4.3 If the relevant post-tax proceeds of the STI of an Eligible Employee is less than 25% of his/her Annual LTI Allocation, the Eligible Employee shall be entitled to elect to acquire Open Market Shares up to an aggregate price equal to the post-tax proceeds of his/her STI in order to be Awarded STI Matching Shares in terms of clause 4.2.

4.4 For the sake of clarity -

4.4.1 to be eligible to be awarded STI Matching Shares, the Eligible Employee must have applied some or all of the post-tax proceeds of his/her STI to acquire Open Market Shares;

4.4.2 the STI Matching Shares awarded will be the same number of Shares as the Open Market Shares so acquired; and

4.4.3 the maximum number of Open Market Shares, which may be acquired for the purposes of the Plan (and therefore the maximum number of STI Matching Shares, which can be awarded to the Eligible Employee) are as provided for in clauses 2.1.21 and 4.1.

5 **PERFORMANCE SHARES**

5.1 An Eligible Employee may be Awarded Performance Shares in respect of a Financial Year up to that number of Shares as is equal in value, measured at the VWAP, to the Annual LTI Allocation of the Eligible Employee for that Financial Year less the value of the Award of STI Matching Shares that the Eligible Employee is entitled to in accordance with clause 4 for that Financial Year measured at the VWAP.

5.2 For the sake of clarity, if an Eligible Employee did not qualify for an award of an STI or was not granted an STI in respect of the immediately previous Financial Year (including as a result of the Eligible Employee not having been employed for the sufficient period of time), then that Eligible Employee may be Awarded Performance Shares in respect of a Financial Year up to that number of Shares as is equal in value, measured at the VWAP, to the Annual LTI Allocation of that Eligible Employee for that Financial Year.

6 **PLAN LIMITS**

6.1 **Overall Limit**

6.1.1 The aggregate number of Shares at any one time which may be utilised for Awards under the Plan through the issue of Shares or transfer of treasury shares, shall not exceed 6 836 548 Shares, being 5% of the issued Shares as at the date that these Rules are first approved.

6.1.2 For the sake of clarity, the number of Shares in clause 6.1.1 shall exclude Shares acquired as Open Market Shares.

6.2 **Individual Limit**

The fixed maximum number of Shares which may be allocated in respect of all Awards to any one Participant in terms of the Plan through the issue of Shares or transfer of treasury shares, shall not exceed 683 655 Shares, being 0.5% of the issued Shares as at the date that these Rules are first approved.

6.3 **Breach of Limits**

To the extent that an Award will result in the breach of the overall limit or the individual limit for a Participant, that Award shall be invalid and not capable of enforcement.

6.4 **Calculating Limits**

For the sake of clarity, Shares acquired on the open market for purposes of settling obligations under the Plan are not counted towards the overall or individual limits referred to in this clause 6.

will be as set out in the circular provided to shareholders of Sun International to approve the Plan.

7.4 **Acceptance of Awards**

7.4.1 An Award is personal to the Eligible Employee to whom it was made and is accordingly only capable of being Accepted by such employee.

7.4.2 An Award must, subject to clause 14.2, be Accepted or deemed to be Accepted by an Eligible Employee on the basis prescribed by the Committee from time to time, within the period specified in the Award Notification, which period may not be more than 30 days following the Award Date.

7.4.3 Any Acceptance of an Award must be delivered to the Company Secretary or such other person as the Committee may nominate, at Sun International's registered office in South Africa or by email, within the period specified in the Award Notification, failing which the Award will be deemed to have been rejected and will have lapsed.

Subject to clause 7.7.3, forfeiture shall be effected through such mechanism as the Committee may determine in its discretion, which may include the transfer of the Forfeitable Shares in question to a person or entity nominated by the Committee (including the Escrow Agent) or the repurchase of the Forfeitable Shares for no consideration. The Participant will not be entitled to any consideration or compensation for such forfeiture and undertakes to do all things and sign any document required to give effect to the forfeiture.
- 7.7.2 For the sake of clarity, upon the forfeiture of any STI Matching Shares in terms of these Rules, the restrictions under these Rules in respect of any Open Market Shares, which were acquired by the Participant as a condition to the Award of the STI Matching Shares will fall away.
