Dear Supplier,

NATIONAL LOCKDOWN AS A RESULT OF COVID-19: SUN INTERNATIONAL GROUP

We refer to the announcement made by the State President on Monday evening, 23 March 2020 when he declared a national lockdown across the whole of South Africa, commencing at midnight on Thursday, 26 March 2020 and terminating at midnight on Thursday, 16 April 2020, in an effort to curb the spread of the Coronavirus.

In light thereof and considering the raft of additional Regulations, which were issued last week in terms of the Disaster Management Act and which directly impacted the group's hotels and casinos from a gatherings and restriction on sales of liquor perspective, Sun International has taken the decision to close all of its hotels and casinos with effect from 16h00 today until the lockdown has been lifted.

During this period, the group will operate on a limited staff basis, with only a handful of key and essential personnel remaining on the premises to ensure the general maintenance and security thereof. This will regrettably impact on all areas of the business including finance and creditors. Accordingly, there will be inevitable delays regarding the payment of invoices where services may have been provided during the lockdown period.

These are extraordinarily difficult times which we are all living through at the moment and to quote the State President:-

"In the days, weeks and months ahead, our resolve, our resourcefulness and our unity as a nation will be tested as never before. I call on all of us, one and all, to play our part. To be courageous, to be patient and above all, to show compassion".

We trust that each of you will understand the predicament which all of us are faced with at present and will exercise tolerance and patience while we all navigate our ways through this devastating pandemic.

Kind regards

Sun International
